Kevin Bishop came to meeting and reported the following:

Greens where cut to short last fall

He has top dressed put on more seed and fertilized

Would like to roll greens but needs a roller

Kevin has talked to supplier of sod and other supplies he uses for advice

CPR-primo fertilizer has been applied twice

Greens open for men's league

Pump will go in when water goes down

The transmission is going out of rough mower. This mower was bought used five years ago for \$5000.00. Need to start look for replacement

Board thanked Kevin for coming in and explaining what was going on. Kevin is glad to get the opinion of another greens keeper. All agreed we need warm weather and sun shine.

Respectfully submitted
