

MINUTES FROM MULLIGAN'S

MULLIGAN'S AT

Volume 2, Issue 8

August 2011

Plan now for the Labor Day Scramble on Monday, September 5th. It will start at 10, giving you plenty of time for evening events !!

The summer heat is upon us, and so are the hot dinner specials listed on your calendar. Maybe you just want to cool off with the always fresh salad bar. Either way, we always try to please and look forward to serving you. The weekends are mostly full this month, but we will have seating available somewhere, so call and make those reservations. A couple of special evening events are coming up in September, a cook out night for steaks and burgers and we are going to smoke some whole fresh salmon one evening as well. We will email you with those dates as the weather cools down, so make sure we have your email address in the data base. Mulliganskcc@aol.com

The ladies league members are looking for sponsors for their scramble on Sunday, September 18th, and the receipts always go to a good cause in the community. Dates are filling up fast for Christmas parties, don't be left out. We are planning a club Christmas "thanks for your support" party on Sunday, November 27th before most of you snowbirds leave. This will be a dinner theatre setting, and the club will be all decorated. Martin & family
